TITLE INDEX

Accuracy and rationality of UK inflation expectations: some quantitative evidence, The, 819
Analysis of fringe benefits using time-series data, An, 1
Are causal relationships sensitive to causality tests?, 459
Are exports an engine of growth? Another look at the evidence, 277
Assessing the effects of bulk power rate regulation: results from a market experiment, 663
Automobile safety inspection: new econometric and benefit/cost estimates, 763

Behaviour of expected short-term interest rates in the UK, The, 331

Canadian banks: risk reduction by international diversification, 1561
Capacity utilization and depreciation-in-use, 995
Causal factors of government expenditure growth in Greece, 1950–80, The, 789
Causality direction in consumption–income process and sensitivity to lag structures, The, 829
Causes of unemployment in Finland, 1970–82: some empirical evidence, The, 687
Cigarette tax, economic welfare and social class patterns of smoking, 355
Comparison of the forecasting accuracy of the futures and forward markets for foreign exchange, A, 961
Commercial policy and the brain drain, 143
Confirmation of the specialization ratio, 393
Corporate retained earnings and personal sector saving: a test of the life-cycle hypothesis of saving, 907
Cost structure of the water utility industry, 417
Country risk appraisal model of foreign asset expropriation in developing countries, A, 1009
Cyclical variations in service industries' employment in the UK, 541

Demand for domestic and imported alcohol in Canada, 531
Demand for international reserves: corrections for serial correlation and heteroscedasticity, 609
Determinants of the earnings of professional engineers in Great Britain in 1981, The, 983
Determinants of the external surplus of the member states of the Gulf Co-operation Council, 305
Determinants of intra-occupational wage dispersion, The, 969
Devaluation as a balance of payments corrective measure in developing countries: a study relating to Ghana, 937
Disaggregated demand for labour in Greek industry, The, 809
Disaggregate model of residential heating mode choice: a multinomial probit modelling approach, A, 581
Disinflation, credibility and price inertia: a Danish exposition, 1353
Does the aggregate production function imply anything about the laws of production? A note on the Simon and Shaikh critiques, 1121

Earnings of Canadian immigrant and native-born males, The, 1107
Economic policy and consumption and investment expenditures: an empirical examination, 167
Economies of scale and scope in multiproduct firms: evidence from US railroads, 733
Effect of date revisions and additional observations on time-series estimates, The, 347
Effects of an anti-smoking campaign on cigarette consumption: empirical evidence from Greece, The, 323
Empirical analysis of firm process and product patenting, An, 743
Empirical investigation of customer market analysis – a microfoundation for macroeconomics, The, 1149
Empirical model of the demand for a varied diet, An, 1403
Empirical test of the segmented labour market theory for the Netherlands, An, 1497
Employability of new graduates: a study of differences between UK universities, The, 695
Employee characteristics and firm size: are there systematic empirical relationships?, 555
Estimation of income elasticities from corss-section data, 1471
Estimation of the demand for electricity, 69
Evaluating changes in league structure: the reorganization of the Scottish Football League, 259
Evaluating food plans and poverty thresholds, 1341
Evaluation of investment portfolios: some tests of robustness and diversification, 179
Evaluation system for regional–regional and regional–national growth impact, An, 1367
Ex ante and *ex post* long-run average cost functions, 1411
Examination of the relationship between technical change and regulatory effectiveness, An, 773
Examination of the 'Schuh Controversy': is the demand for US agricultural exports elastic?, An, 853
Explaining forecasting bias: the case of real exchange rate variance, 1249
Explantory power of the market model: an international comparison, The, 1625

Factors affecting motor vehicle deaths in the USA: some cross-sectional evidence, 753

Factors in the adoption of industrial development incentives by states, 17
Foreign finance, wealth effects and economic development, 467
Free lunches in higher education?, 1337

Hidden costs of unemployment: the case of excess fire service expenditures, 1421

Industrial distribution of the Temporary Short-time Working Compensation Scheme, The, 111
Industrial restructuring in a newly industrializing country: the identification of priority industries in Singapore, 915
Influence of money and the rate of interest on the rate of inflation in a financially represed economy: the case of Turkey, The, 1585
Import penetration, export competitiveness, and the pattern of UK intra-industry trade: a note, 215
Institutional approach to the rationality of expectations, 1303
Interest rate arbitrage using the forwards and futures markets, 1977–85, 1329
Inter-fuel substitution in Dutch manufacturing, 1639
International differences in product design and their economic significance, 201
International telecommunications forecasting: an investigation of alternative functional forms, 949
Intertemporal stability of Kaldor's first and second growth laws in the UK, The, 1201
Investigation of time inconsistency and optimal policy formulation in the presence of rational expections using the National Institute's Model 7, An, 1175

Key sectors and the structure of production in Kuwait – an input-output approach, 1187

LDC stabilization policies, price and output adjustment: theory and evidence, 1974–83, 447
Link between monetary uncertainty and GNP: some direct estimates, The, 1059
Local authority fiscal stance and the pattern of residential migration in the North West of England, 1391
Local government pay drift: the search for causality, 83
Long bond yields and inflation rates in OECD countries: a cross-section study, 407

Method of constant market shares analysis reconsidered, The, 1571
Migration decisions of young men in Great Britain, The, 221
Monetary policy and the informational efficiency of the stock market: the evidence from many countries, 1521
Money, inflation and causality (another look at the empirical evidence for the USA, 1953–84), 619
Net social benefits of a product improvement: the case of freeze-dried coffee, The, 127

Note on correcting biases in dynamic panel models, A, 31
Note on Japanese pricing policy, A, 729
Note on the measurement of the slowdown in total factor productivity, A, 1211

On the determinants of full employment rates in local labour markets, 191
On the size of the public sector, 927
Optimal local authority budgeting strategies under block grant, 891

Performance of Euromoney Currency Report hedging recommendations, The, 845
Population dynamics and consumer demand, 1483
Predicting bank failures: the role of structure in affecting recent failure experiences in the USA, 1291
Price behaviour in European countries: testing the law of one price in the short and long-run at various levels of aggregation, 1533
Price elasticity of electricity demand in South Africa, The, 1269
Primary commodities in international trade: an analysis of real prices, 317
Productivity and the role of college in narrowing the male–female wage differential in the USA in 1980, 51
Purchasing power parity as a theory of international arbitrage in manufactured goods: an empirical view of US/UK prices in the 1970s, 1433

Real wages and real labour cost growth, 1948–81: a disaggregated study, 635
Re-evaluation of the combination and adjustment of forecasts, A, 437
Re-examination of the advertising and industrial concentration relationship, A, 427
Regional variations in US consumer response to price changes in home heating fuels: the Northeast and South, 1261
Regional welfare loss measures of the 1973 oil embargo: a numerical methods approach, 1317
Reservation wages and occupational security: an empirical study, 155
Revenue and formula effects of school finance reform on wealth neutrality, 1685

Scale elasticities in Ghanaian cocoa production, 1383
Schooling and changes in the inequality in male and female earnings in the United States over the 1970s, 1083
Search for a critical concentration revisited, The, 1049
Segmented labour markets and the estimation of wage functions, 1603
Sharing of total factor productivity gains in Canadian manufacturing: a price accounting approach 1965–80, The, 245
Simple structural model of the Swiss franc–US dollar exchange rate, A, 381
Singapore dollar: tests of the efficient markets hypothesis and the role of news, The, 569
Some determinants of labour productivity, 839
Some economic effects of standards – comment, 1515
Some findings on relative price change variance and inflation rate uncertainty in the Canadian CPI, 285
Specification of econometric strike models: a VARMA approach, The, 511
Subsidizing sports facilities: the shadow price–elasticities of sports, 101
Supply and demand for exports for industrialized countries: a disequilibrium analysis, The, 1137
Supply and demand for imports and exports in a simultaneous model, The, 1233
Supply response for sugar cane in Trinidad and Tobago: some preliminary results, The, 1221
Surface mining of coal: efficiency of US interior mines, 1665
Substitution, technical change and returns to scale in British Columbian wood products industries, 483

Testing the multilateral version of purchasing power parity: an application to Burma and Jordan under the SDR peg, 1981–5, 367
Testing the exogeneity specification underlying the monetary approach to the balance of payments: some UK evidence, 651
Theorem on interest rate differentials, risk and anticipated inflation, A, 1675
Trace financing procedures in Britain and Japan, 711
Trade effects from the extension of customs unions on third countries: a case study of the Spanish accession to the EEC, 39
Trade unions and wage inflation in the United Kingdom: a re-estimation of Hines' model, 597

Unanticipated policy shocks, regime changes and unemployment in Canada, 1967–83, 1065

Valuing family household production: a contingent evaluation approach, 875
Variability in forecasts in a nonlinear model of the US beef sector, 1457

Wage inflexibility and quality adjustment in Australian academic labour markets: a constrained case, 1279
Welfare inequality among urban households in South Korea: 1965–83, 497
